## WANTS TO END WAR BETWEEN CLASSES

Wilson Declares There Should be a Union of Interests.

## STAND TOGETHER FOR COMMON GOOD

Would Have Party Battles Fought With Less Personal Passion—Democratic Nominee Enthusiastically Cheered by Spanish War Veterans at Atlantic City.

Atlantic City, N. J., September 10.—Political battle with less personal passion and an end to the "war within the country" by competition of classes were the ideas which Governor Woodrow Wilson set forth tonight in a speech before the United Spanish War Veterans. The Governor was enthusiastically cheered as he spoke on the steel pier to a large crowd. He declared the Spanish-American War had had its value in drawing the nation together and destroying sectional feeling. To the internal politics of the country he made brief reference.

"The trouble with this country," said the Governor, "is that it has been blindly at war with itself by a competition of interests, when there should have been a union of interests. The way not to cure it is to set one class against another. The way to cure it is to see that all classes know that there is such a thing as a common interest which touches them all alike."

"I belong to a political party. For the time being I represent a political party. But I respect a political party merely as the means of banding men together for a service which, when they have done to the uttermost, they have forgotten parties in a common cause. Not all men think alike, and therefore men must serve themselves according to their convictions and their thoughts, but the impulse back of every one of them must be the same. It is the impulse of patriotic conviction. And so I congratulate you upon having gone to school in at least one of the schools of patriotism."

**Passion for Common Good.**

"I wish that party battles could be fought with less personal passion and more passion for the common good. I am not interested in fighting persons, but I am interested in fighting things. I am interested in fighting bad tendencies, bad systems, things that lower all the levels of our political and economic morality; and I could wish that these things were visible and tangible, so that we would not have to fight them through persons. I wish that they were of such a sort that you had only to hold them up to let the whole nation see how ugly they are and how undesirable. For we must get this vision before we are true with our politics; the same vision that the soldier gets, that it does not make any difference what part of the country he comes from; it doesn't make any difference what he has; the point that there is something that binds him to his fellows which cannot break without committing treason."

"The thing he cannot break is the bond of common sympathy and of common understanding; that he is engaged in a cause and that only the cause can make him break it."

Governor Wilson and General Nelson A. Miles reviewed the parade of the veterans in the afternoon. As the Missouri veterans marched by the stand they sang the "Marching Song" of the presidential convention days.

Nearly 3,000 veterans were in line marching through decorated streets and cheering crowds. Some of the marchers were overcome by heat and dropped out. Just as A. H. Cole, of Rindgeford, Maine, passed the reviewing stand and saluted he dropped to the pavement. His comrades rushed to his side. An ambulance carried him to a hospital where he was seen yesterday. Governor Wilson, who witnessed the incident, sent his secretary to the hospital to learn Mr. Cole's condition.

The Governor will leave early tomorrow for Jersey City where he will review the Hudson County Democratic Club.

## MINISTER MURDERED

Body of Rev. S. H. Greene Found in Ditch Near Lewisburg.

Baltimore, Md., September 10.—A special from Clifton, Pa., to-night says: Rev. S. H. Greene, a member of the Baltimore Conference of the Methodist Episcopal Church, was apparently murdered early Sunday night or Monday morning. His body was found in a ditch near Lewisburg, Pa., and every indication showed that he had been extinct for many hours. No reason for the apparent murder can be found; for Mr. Greene was a poor man and without enemies so far as known.

## LOSES HIS TEMPER ON WITNESS STAND

Mayor Gaynor Angered by Questions Asked in Police Investigation.

## CROWD APPLAUDS RETORTS

Denounces Aldermanic Hearing as "Scandal Mongering Excursion."

New York, September 10.—For more than two hours this afternoon William J. Gaynor, Mayor of New York, sat in a witness chair at the City Hall and evaded with picturesque retort the attempts of counsel for an aldermanic committee to learn his views on the police situation brought to a head by the murder of the gambler, Herman Rosenthal.

Three times he threatened to leave the stand because he considered the questions irrelevant, twice he denounced the hearing as "scandal-mongering excursion," and often throughout his testimony he repeated that attempts to "sensationalize" him would be in vain, for he said he had lived in the city too long and had begun his efforts to purify government long before Mayor R. Buckner, counsel for the committee, was born.

At no time during his examination would he admit that the police department was inefficient. He expressed reserved confidence in Commissioner Waldo, commissioner of police, and declared that if a certain evil lurked it was at least on the verge and was a lesser evil than police blackmail, which he had tried to eradicate.

By way of a counter-investigation of the committee, whose chairman, Alderman William H. Curran, he denounced yesterday, the Mayor before taking the stand, set on foot an investigation of reports that the committee accepted a high bid for a low bid for its stenographic work. Nine out of every ten questions asked by Mr. Buckner remained unanswered.

**Formed No Opinions.**

The Mayor had formed no opinions, he said, and had not come to tell his opinions anyway. If he were asked about facts or about any instances wherein the police department had violated the law, he would answer.

## \$55,199 RAISED BY PROGRESSIVES

More Than This Amount Expended Since Organization of Party.

New York, September 10.—The Progressive National Party, since it was formed in Chicago on July 1 last, has received total contributions amounting to \$55,199 and expended \$28,224, according to Glen H. Hooten, the party's national treasurer.

This announcement today was in the form of a statement, which also allowed that unpaid bills up to September 1 amounted to \$10,610, and obligations for rent, printing and other contracts outstanding amount to \$2,124.

Of the total contributions the New York headquarters received \$5,272 and Chicago headquarters \$1,822. The New York expenditures were \$5,652.33, and those of Chicago \$2,561.68.

The two largest contributors were George W. Perkins and Frank A. Munsey, who gave \$15,000 each. George Moore, of New York, and Mrs. Charles H. Wood, aunt of Clifford Blumhof, gave \$5,000.

The \$10,000 contributors were William W. Aldrich, Jr., of Chicago; W. E. Ransom, of Chicago; George Roosevelt, George A. Soper, of Chicago, and the family of Charles H. Davis, of South Yarmouth, Mass.

Mrs. Emily Roosevelt gave \$500, and Miss Emily T. Carow, a sister of Mrs. Theodore Roosevelt, gave \$250. George P. Porter, of Chicago, was credited with one contribution of \$100 and another of \$500.

Several hundred contributors sent from \$10 to \$25 each. Accompanying the statement is an appeal from the national committee for additional funds.

Of the disbursements, one of the largest items was \$12,137, appropriated for railway transportation and speakers' expenses. Funds sent to State committees of twenty-three States amounted to \$18,000. For salaries of employees, \$7,647 has been paid, and \$5,000 has been advanced for expenses at the Chicago headquarters.

## AUTOPSY ON BODY OF MRS. SZABO

Indicated to Authorities That Her Death Was Not Due to Drowning.

## INQUEST ON SEPTEMBER 18

Officials Will Hold Conference To-Day to Decide What Course to Pursue.

New York, September 10.—That Mrs. Rosa Menschik Szabo, who was believed to have been drowned while boating with her attorney and subsequent executor, Burton W. Gibson, on Greenwood Lake, Orange County, came to her death from other causes, was indicated to the authorities today after an autopsy on the woman's body.

Dr. George W. King, of Hudson County, who performed the autopsy at Jersey City, assisted by Dr. Otto H. Schultze, of Cornell University, would give tonight no detailed statement of the suspicious circumstances revealed, but he declared that vital organs of the body had been turned over to Dr. Schultze for microscopic and chemical analysis. Public report of these findings will be made at an inquest to be held September 18.

When it was known that evidence to arouse suspicion as to the cause of the woman's death had been found, Deputy Sheriff Willis de Gray, of Orange County, visited the Austrian consul, and late in the day went to Lawyer Gibson's office building. There he found a private detective, who has been investigating the death of Mrs. Szabo for the Austrian consul.

Later the deputy and the detective met Gibson and the latter accompanied the lawyer as he started for his home in Rutherford, N. J.

To determine what course to pursue in the case of conference of officials will be held in Jersey City to-morrow. By that time it is expected Dr. Schultze may have proceeded far enough.

## MEXICAN FEDERALS WILL ATTACK REBELS

## MAINE IS FACING ANOTHER CONTEST

Five Parties Will Be in Race for Six Presidential Electoral Votes.

Portland, Me., September 10.—Maine emerged from the State election of yesterday, in which the Republicans were victorious, to find herself facing another political contest with five parties instead of four in the race for the six presidential electoral votes.

The Progressive party, whose leaders had joined with the Republicans in yesterday's election, came into being today, after the announcement of the election of William T. Haines for Governor, three out of four Representatives to Congress and a majority of the Legislature, which will choose a United States Senator. Former Congressman Edwin C. Burleigh received the Republican preferential vote for senator at the recent primary.

Revised returns today for Governor, with only five small plantations missing, which in 1910 cast 22 Republican votes and 44 Democratic, gave Haines, Republican, 70,880, Plafated, Democrat, 67,843. Haines's plurality 2,037.

Haines's plurality in 1910 was 8,460.

Complete unofficial legislative returns show there will be twenty-three Republicans to eight Democrats in the Senate and seventy-nine Republicans and seventy-two Democrats in the House, giving the Republicans 162 on a joint ballot and the Democrats eighty.

Interest today centered in the action of the Progressive leaders. The Republicans and Democrats have already nominated their presidential electors. The Progressive, Prohibitionists and Socialists, not being recognized officially, may make their nomination of electors by petition. These papers began to be circulated today.

**Wilson is Satisfied.**

Atlantic City, N. J., September 10.—Governor Woodrow Wilson today declared himself satisfied with the outcome of the election.

## PERMISSION GIVEN FOR THEIR MOVEMENT THROUGH UNITED STATES TERRITORY.

## TO GO TO STATE OF SONORA

Defeat of General Salazar at Ojinaga Is Reported to Washington.

Washington, September 10.—Permission given to move 1,200 Mexican troops through United States territory to attack the Mexican rebels in the State of Sonora and the reported repulse and retreat from the border of the rebel leader and his men combined today to bring satisfaction to government officials here.

The permission to move troops was granted Mexico without hesitation and everything will be done to insure the careful transportation of the Federal troops. While a certain amount of unrest will exist on the international boundary line as long as the trouble in Mexico continues, officials here are deeply gratified that the scene of hostilities apparently is being removed from the border. With a considerable force of Federal troops already garrisoning strategic towns in Sonora, it is said that the 1,200 additional men will be sufficient to subdue the malcontents or force them further south.

The Mexican troops will be entrained at El Paso, Texas, and be transported to Nogales, Arizona. Their arms and ammunition will be carefully sealed in express cars, so they will go through American territory unharmed. In addition, they will be guarded by a detachment of United States regulars. The date for the movement has not been set.

**Defeat of Salazar.**

The report of the defeat of General Salazar by the Federalists in Ojinaga was received here today with satisfaction. His presence here has been a menace to the continuance of peaceful relations with the Mexican people because of his raids into American territory.

There is much speculation on the concentration of rebel bands in the Ojinaga Mountains and their preparations for a
